

## Innovation Readiness Scorecard Scorecard Workshop Agenda - July 27, 2018

**Purpose:** The aim of this facilitated meeting is to, together, define the enablers and inhibitors of innovation for Alberta Small and Medium-sized Enterprises (SMEs). Your valuable contribution will support the creation of an 'Innovation Readiness Scorecard' to enable SMEs to more readily navigate the innovation process. This Innovation Readiness Scorecard will be further developed and refined through an intensive research study on Alberta SMEs.
